COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In response to the Supplemental Notice of Allowability mailed March 17, 2004, the Applicant traverses the Examiner's statement to the extent it differs from a mere restatement of the claim language. Applicant further traverses the Examiner's statement and reasoning insofar as they would lead to or suggest, if at all, an interpretation of the claimed invention different from the full extent of claim scope afforded thereto by the established law in the absence of the statement of the reasons for allowance.

Respectfully submitted,
